WORK EXPERIENCE

Responsive Multi-Page Website

Design and Devloped a responsive multi-page website consisting of Home,Products,About and Contact pages using HTML,CSS,Js and React.

Utilized Bootstrap components including navigationbar ,cards, buttons, forms, carousel, and grid system to create a struchtered and visually engaging layout.

Ensured consistent design smooth navigation, and clean UI across all the pages with a focus on responsiveness and usability.

SUMMARY

Highly motivated and detail-oriented Full Stack Developer (Fresher) with a strong foundation in both front-end and back-end technologies. Proficient in building responsive web applications using React js, Node js, and Next JS. Adept at solving complex algorithmic problems and committed to writing clean, maintainable code. Eager to leverage my technical skills to contribute to innovative projects in a fast-paced development environment.
